PRACTITIONER PERSPECTIVES

 #cesicon  #tmcesi

The CESI conference is our flagship event, and in 2019 we move to **Athlone Institute of Technology** on **2nd March 2019**. The now traditional **TeachMeet** will take place on Friday evening, **1st March** in the **Sheraton Hotel Athlone**.

This year's conference will highlight the creative and collaborative nature of the CESI community. Practitioners across Ireland are using technology to **enhance learning in unique, innovative, and informed** ways. Our annual conference showcases the best of that **grassroots work**, and is an exciting venue for educators from all sectors to come together to share their practice.

The CESI conference is a calendar highlight for those who are interested in **integrating technology into teaching and learning**, and this year promises to uphold the high standard that has been set by previous CESI events.

Hands-on, Listen, Learn, & Share

Why not consider telling *your* story from the classroom? The **deadline** for submission of proposals in **21st January**.

The conference features a mix of **presentations and hands-on workshops, high-profile keynote speakers**, and opportunities to engage with educators from all levels of the Irish education system.

Conversations around common interests, learning from each other, making connections with people we wouldn't otherwise meet – all are part of the wealth of this much anticipated annual event.

Keynotes

We are delighted to have as our conference keynotes speakers **Mags Amond** and **Seán Gallagher**.

Registration and More

Visit www.cesi.ie for registration. The conference fee is €65 and €30 (student and unwaged). The TeachMeet fee is €15. There is an early bird rate running for a short time.

Our Support

CESI acknowledge the support of **Teacher Professional Networks** and **PDST Technology in Education**.
